

GUIDELINES FOR IVEC POSTERS

All speakers are required to pay the conference registration fees. [On-line registration](#) or a [downloadable registration form](#) is available.

Please contact Samantha Tola (stola@pcm411.com) if you have not received your CadmiumCD log-in credentials or need any assistance uploading your poster presentation.

The poster session is intended to provide presentations judged to be best suited to this more interactive format. The success of a poster session depends not only on the high quality of the papers selected but also on the authors' adherence to the following guidelines for effective presentation in poster format.

Poster Presentation Requirements:

- For publishing purposes, the poster upload must be a PDF file at highest resolution possible.
- The aspect ratio (ratio of width to height) should ideally be set to 16:9.
- The complete poster is limited to one slide only. That means one single page for your PDF file.
- Fonts should be sans-serif (e.g., Arial, Calibri, etc.)
- Minimum font size should not be smaller than 6pt
- All poster presenters have the opportunity to record a short summary (5-min max) for their poster.

The deadline for submitting your poster presentation is October 2, 2020.
