

Peng Zhang is currently Associate Professor with the Department of Nuclear Engineering and Radiological Sciences at the University of Michigan, Ann Arbor, where he received his Ph.D. degree in 2012. He was an Associate Professor from 2021 to 2024 and an Assistant Professor from 2016 to 2021 at the Department of Electrical and Computer Engineering, Michigan State University. His research interests are in theoretical and computational physics in plasmas, beams, and surface and interface sciences. He was a recipient of the Air Force Office of Scientific Research (AFOSR) Young Investigator Program (YIP) Award, the Office of Naval Research (ONR) YIP Award, and the IEEE Nuclear and Plasma Sciences Society (NPSS) Early Achievement Award. He serves on the editorial board Scientific Reports and has been serving as a Guest Editor of IEEE Transactions for Plasma Science multiple times.
